From the Principal

Dear Families,

At Augusta Park Primary School we value the relationships we have with students, families and the wider community. This was evident during the development of our whole school vision last year where we agreed we want a **strong culture, strong relationships and strong learners** at Augusta Park Primary School.

Throughout the year we will be working with families in a number of different ways to continue to build **strong relationships**. This will enable us to continue to create an environment where the school and families work together to support every child to achieve their very best.

In Week 5 instead of holding our traditional Open Night we will be holding a whole school afternoon tea. During this time families are invited to visit their child's classroom and join in the learning activities with students. This is a great opportunity to see what your child is learning about at school and to get to know your child's teacher.

The details of the afternoon tea are:

Date: Wednesday 1 March

Time: 2.00pm – 3.00pm

Activity: Visit classroom to join in the learning activities with your child

Enjoy an afternoon tea of scones, jam and cream with your child/ren.

This week students have created personal invitations to give to their families inviting them along to the afternoon tea. If you haven't received yours please ask your child for it.

If you have any questions about the afternoon please ask any staff member at the school and they will be able to help you.

We hope to see many families here on the day.

Kind regards, Bec Mueller

Cultural Studies

With Miss McKenzie-Stuart

Cultural Studies lessons have started this week! We have loved seeing how much the yakartis have remembered from last year and are looking forward to a term jam packed with new learning and fun activities!!

Mrs Bhangu's Year 6/7s Newsletter

Our class has had a great start to 2017. We have been working on setting personal goals for 2017. We talked about our strengths and weaknesses and how we can overcome them. We have also learnt about different nouns and their groups in English. We have learnt a bit about each other and our teacher Mrs Bhangu. Everyone in our class adjusted to our new class routines quickly. We hope to have a great year.

We are also working on having Growth mind set and using the language that promote it.

So instead of saying "I can't do it" we are using language like "I can't do it yet, but I will keep trying".

We are also trying very hard to use impulse control and not to rush to get the right answers.

Keep your kids smiling

Don't forget Governing Council AGM

Tuesday 21 February

6pm Governing Council AGM

Everyone welcome.

You will not be forced into taking a position but you are more than welcome to put your hand up.

Put Your Hand Up!

Lots of work happening on the front of the School.
