

Augusta Park Primary School

Strong culture, strong relationships, strong learners

UNIFORM POLICY

The goal of introducing a compulsory school uniform at Augusta Park Primary School (APPS), from 30th of January 2012, was to promote a sense of belonging and membership.

The APPS uniform comprises of the following elements:

- navy T-shirt with pale blue inserts adorned with the school logo.
- school jumper with school logo either hooded or with a baseball jacket style.
- summer school dress of blue and white check.
- school hat (bucket or broad-brimmed).

APPS is a Sun-safe school with a dress-code that promotes safety and inclusive participation for all. This means students are required to wear

- Footwear that enables students to participate in all aspects of the curriculum, including physical education, safely.

To make the implementation of the policy inclusive for all families the following strategies have been established:

- Second-hand uniform shop
- Loans stock

Second hand Uniform Shop

The second-hand uniform shop contains items from students who leave the school and either donate or sell at a minimal cost depending on the condition of the uniform pieces.

Stock that has been used through the Loans system and is starting to appear worn is also diverted to the second-hand shop.

The Second-Hand Uniform shop will be managed by the front Office SSO's.

Loans or Lay-by System

If a student attends school without wearing school uniform then they are supplied with stock from the Loans stock and are required to return the item at the end of the day.

If the uniform is not returned within 5 days the family is invoiced for the cost of the uniform which is \$20.

IMPLEMENTATION

Non-Compliance

* Occasional:

On a day where a student has attended a school without wearing school uniform, the student is sent to the office and supplied with one from the Loans stock by front office staff. Loans T-shirts will be numbered and the students will sign for these. The student will return the uniform at the

end of the day. If they don't return the uniform within 5 days the family will be invoiced for \$20.

* Ongoing:

Where a student persistently arrives at school without a uniform and they have already had one provided through the loans shop their families will be contacted and asked to provide a uniform before the child enters the class.

Representation:

Students will not be eligible to participate in excursions or represent the school in Sports or Arts teams without wearing a uniform. These are extra curriculum activities.

House Captains will have a coloured top that they are able to wear during whole school "House events". These will have a logo representing their house or the house name incorporated. Students will be allowed to wear t-shirts with their house colours during these events.

| Cost: | Price |
|---------------------------|-------------------------------|
| (Compulsory elements) | |
| T-shirts | \$ 25.00 each (including GST) |
| Jumpers | \$ 26.00 each (including GST) |
