**Swimming and  
Aquatics begins**

Thursday 29  
November

**Family Night**

Friday 30 November

**School Closure Day**

Wednesday 12  
December

**Splash Day**

## From the Principal

Dear Families,

Welcome back to Term 4. We are looking forward to a busy term where we will celebrate family night on Thursday 29th of November. We hope to see lots of families join us on this night.

### **STUDENT ENROLMENTS FOR 2019**

This term we are deciding the most appropriate class placement for students in 2019. It is a complex process which requires a great deal of time and consideration. Teachers share information in order to bring about the best possible combinations of students. During this process we carefully consider the learning, social, physical and developmental needs of each child.

To help us in our decisions, we also take into account information from families but do not guarantee that the requests can be accommodated given the complexity of the task. If you have information regarding your child's learning, social, physical and developmental needs that you would like us to consider I ask that you put this in writing addressed to me by **Week 3 Friday 2 November**. Please note that I cannot consider requests for specific teachers.

If you have given the school information about your child in the past please make sure you pass this information on again to ensure it is considered for 2019.

We are also aware that there are many families who are intending on enrolling their children for next year. Please make sure you complete an enrolment form by Monday so that we can place your child in a class. Likewise, if you are planning to leave Port Augusta next year and your child will be transferring to a new school can you please let us know.

If have any questions or would like to discuss this further please give me a call at the school or pop in and see me.

Kind regards, Bec Mueller

*Check out our notice board and Facebook page for daily news and lunch specials.*

Our canteen supports the Bite Bite Healthy Eating Policy for SA Schools.

# Kathy Walker

Since last term, the Junior Primary Team have implemented the Kathy Walker Learning Approach into their classrooms.

The Kathy Walker Learning Approach promotes the importance of student engagement by placing the child at the centre of their learning journey. It is an approach which supports the need for students to be active participants in their learning through hands-on and creative investigation, which sits alongside formal instruction. There is explicit teaching and development of not only literacy and numeracy skills, but also a range of important social, emotional and life skills.

In their classrooms, they have a range of investigation areas.

These include:

- Literacy
- Maths
- Dramatic Play
- Reading Area
- Visual Art
- Special Interest Area
- Construction and Tinkering
- Sensory Area
