From the Principal

Dear Families,

It's hard to believe it is the end of the term. We've had a very busy term and from reading student reports it has been pleasing to see the significant growth that many students have made with their learning. Next term is another busy term with a number of events taking place such as NAIDOC celebrations, Sports Day and Book Week.

NAIDOC WEEK CELEBRATIONS

In week 1, Term 3, on **Friday the 26th of July**, we will be holding a NAIDOC Week celebration at school. At 9:00am we will be having an Assembly **in the Hall** for the celebration and during the day we will have our classes rotating through a cooking roster to make some delicious damper and to hear some traditional stories.

You are invited to join us for our Assembly and to also participate with your child's class in the making of the damper and hearing traditional stories. A note has been sent home and more information will be placed on our Facebook page closer to the date.

STAFFING CHANGES

In Week 9 we welcomed Keli Schrader to our school. Keli will be undertaking the role of Business Manager while Cheryl McKnight is on long service leave for the rest of the year. Keli has been working as Finance Officer at Port Pirie West Primary School so brings with her lots of experience in managing school finances. Please ensure you say hello to Keli when you are in the front office.

STUDENT FREE DAY – FRIDAY 2 AUGUST 2019

We have a student free day on Friday the 2nd of August 2019. On this day teachers will be working together to assess and moderate student learning in order to develop consistency with achievement levels students are given in their reports. Teachers will also be looking at the Australian Curriculum Numeracy Progressions as well as continuing to develop the knowledge of learning intentions and success criteria.

Finally, we wish everyone a safe and happy holiday and look forward to seeing everyone back at school on Monday the 22nd of July.

Kind regards, *Bec Mueller*

Mrs Elliot's 2/3 Class

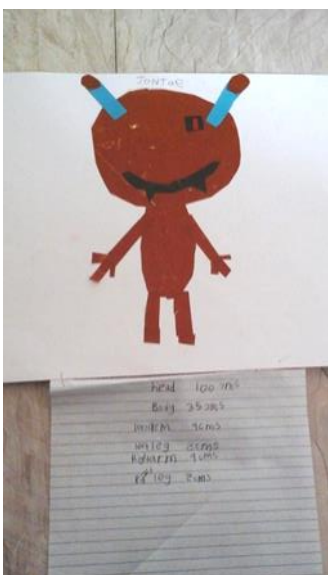

This term has been such a busy term. It was great to see all the parents / caregivers attend our assembly. All children presented their items and lines with confidence. Inside the classroom students have been working hard on making improvements with their learning.

imagnations to create narrative stories and identify the main idea of paragraphs and texts. One of the topics in maths was AREA. Students created robots and had to work out the area of each body part. In Visual arts we continued our learning about colour, in particular Warm and Cool colours.

Students created a picture using only warm and cool colours oil pastels. Next term is going to be just as busy.

I would like to wish all students and parents / caregivers a happy holiday.
