Friday, 7 August

Photo Day

Week 7
Friday,
4 September

From the Principal

Dear Families,

Welcome back to Term 3. We have a busy term with many exciting events planned for students and families.

SPORTS DAY

Sports Day is fast approaching and will be held on **Friday 7th August (Week 3)**. Students have already started practising for their events and we are looking forward to a fun day. House meetings will commence next week when the House Captains will be selected. These captains will represent their teams by consistently demonstrating their ability to get along with others, encouraging students to be persistent and not give up as well as have exceptional organisation skills and confidence. Students will also begin practising their Sports Day chants.

Food will be available by pre-order and pre-pay only for both students and families from the school canteen. The canteen will be closed for business on the day. More details including the program and canteen order form will be sent home soon, they will also be available on our Facebook page and on the QKR app.

Our teams and their colours are:

- Eagles - **Yellow**
- Falcons - **Green**
- Hawks - **Red**
- Kestrels - **Blue**

We invite families to come along and join us for Sports Day, cheering on the students.

UNIFORMS

Just a reminder that all students are required to be in school uniform. We currently have a start of term special that is available until 14th August. Please come in to the front office and see Mrs McKnight, who will be happy to help with you uniform requirements.

Kind regards, Bec Mueller

Sghirripa's Spiel

Attendance

Congratulations to the following students who had 100% attendance for Term 2.

Pyjama Day

Augusta Park Primary School

Pyjama Day

Wear your PJ's to school!!

Wednesday 29th July (Week 2)

A gold coin donation would be appreciated if possible but is not an expectation.

Funds raised will go towards re-painting the games on the quad.

Last term in Literacy, Miss StClair's Year 3/4 class learnt about biographies. They researched famous artists from the past such as Frida Kahlo, Pablo Picasso and Vincent Van Gogh, presenting their research on posters.

For Visual Arts, students learnt about the three artists' painting techniques and how colours can create a certain mood. Students created self-portraits and used a technique that was inspired by the artist they wrote about. They worked really hard and are very proud of their efforts!

Itchy Emu

WHAT IS IT?

Head lice are an age-old problem, so having the Itchy Emu program available as a free, non-judgmental treatment and education program enables a hassle free and practical response. Aimed at giving children, parents and families the information to treat their own hair, visitors to the service will discover a friendly and effective service. Whilst children are entertained with educational activities and learning about preventing fresh outbreaks, a chemical free treatment is provided. The program has the added benefit of being a fun and efficient way of enabling children to get back into the classroom with a minimum of fuss.

HOW WE CAN HELP?

Our volunteers and staff are trained to remove nits/lice. We use a conditioner solution that has no perfume or colours to reduce allergic reactions.

We have some tips and hints to reduce them coming back. We can chat about the ways to stop them at home as well. Everybody gets a pack to take home so that head checks can be done. Whole families can come in at once; or your school SSO might bring you in if your parents give permission.

WHERE/WHEN/HOW TO CONTACT US?

3 Chapel St in our salon
Thursdays after school at 3pm
Friday mornings first appointment at 9am
Ring us on (08) 7628 3101
