From the Principal

Dear Families,

Welcome back to Term 4. We are looking forward to a busy term with lots of exciting activities planned. This term we have created a calendar of events which is included in our newsletter so that families have plenty of advance notice of when events are happening at the school.

STUDENT ENROLMENTS FOR 2021

This term we are deciding the most appropriate class placement for students in 2021. It is a complex process which requires a great deal of time and consideration. Teachers share information in order to bring about the best possible combinations for students. During this process we carefully consider the learning, social, physical and developmental needs of each child.

To help us in our decisions, we also take into account information from families but do not guarantee that the requests can be accommodated given the complexity of the task. If you have information regarding your child's learning, social, physical and developmental needs that you would like us to consider I ask that you put this in writing addressed to me by **Week 3, Friday 30 October**. Please note that I cannot consider requests for specific teachers. If you have given the school information about your child in the past please make sure you pass this information on again to ensure it is considered for 2021.

We are also aware that there are many families who are intending on enrolling their children for next year. If you haven't done so already can you please come into the front office and fill in an enrolment form so that we ensure your child is placed in a class. Likewise, if circumstances have changed and you are planning to send your child to a different school next year can you please let us know.

If have any questions or would like to discuss this further please give me a call at the school or pop in and see me.

Kind regards
Bec Mueller
