## Newsletter

28 May 2021

### Important Dates

#### Assemblies

Friday, 11 June

Friday, 25 June

#### Reconciliation Week

27 May - 3 June

#### Public Holiday

Monday, 14 June

Please remember to let the front office know if you have changed your phone number or address.

### From the Principal

Dear families

Next week we will be celebrating reconciliation week with a whole school assembly and then activities in classes. This year theme is "More than a word. Reconciliation takes action". National Reconciliation Week (NRW) is a time for all Australians to learn about our shared histories, cultures, and achievements, and to explore how each of us can contribute to achieving reconciliation in Australia.

We invite our school community to join us at the assembly where we will celebrate and talk about the theme of reconciliation week for 2021. Dusty Feet will also perform for us as well.

Time: 10.00am

Where: Hall

We hope to see as many people come along as possible. For those that can't attend we will share some photos on our Facebook page.

#### **Year 6/7 information night**

2022 marks an important change in education in South Australia with Year 7 students starting secondary school for the first time. To support families with this process and ensure transition is successful for all students Port Augusta Secondary School (PASS) staff are holding an information session at our school for all families who have students in Year 6 and 7. They will be presenting key information about the transition to high school and there will also be time for families to ask questions as well.

When: Tuesday 1st June

Time: 5.30pm

Where: School Library

\*\*Please enter via the gates by the Barry street school crossing.

Regards,  
Bec

# Sghirripa's Spiel

## Attendance:

### Things to remember:

If your child is absent unexplained you will receive a phone call from an ACEO to find out why they are away.

If your child/children are absent unexplained for 3 days a home visit may be conducted by staff.

If your child is going to be absent from school please ring the school on 8642 3599.

If you need any support in getting your child/children please contact the school so we can assist you with this.

I look forward to seeing our attendance percentage increase this term.

# Sghirripa's Spiel

## Mother's Day Stall:

*Congratulations to the SRC students who held a successful Mother's Day Stall on Wednesday 5th May.*

*They thoroughly enjoyed helping students pick a special gift for their loved ones. We hope all mothers had a wonderful day.*

# Miss StClair's Year 3/4 Class

Miss StClair's Year 3/4s researched the famous artist, Pablo Picasso. They thought that his style of cubism was 'interesting' and 'crazy'. They decided to have a go at it!

Students were given a worksheet which gave them different styles for drawing body parts. Students had to "roll and draw" their Pablo masterpiece!

They loved it so much!  
Look how creative they got!

**WEEK 3 AWARD WINNERS**

**TERM 1 ATTENDANCE AWARD WINNERS**

Congratulations to Tallis, Laila and Tallan who have been selected in SAPSASA teams to compete in Adelaide in the coming weeks. Tallis will compete in cross country, Laila in netball and Tallan in football.

We wish Tallis, Laila and Tallan all the best and know they will do Augusta Park proud.

Dear parents, guardians and carers

**Re: Nationally Consistent Collection of Data on School Students with Disability (NCCD)**

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the *Disability Discrimination Act 1992* and the Disability Standards for Education 2005, in line with the *NCCD guidelines* (2019).

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the [Australian Government's Privacy Policy](https://www.education.gov.au/privacy-policy) (<https://www.education.gov.au/privacy-policy>).

Further information about the NCCD can be found on the [NCCD Portal](https://www.nccd.edu.au) (<https://www.nccd.edu.au>).

If you have any questions about the NCCD, please contact the school.

Kind regards

  
Principal
