Wednesday, 5 April

Community Breakfast

Wednesday, 12 April

From the Principal

Dear Families,

Family Fun Afternoon

Please remember that we have our family fun afternoon next week.

The details of the afternoon are:

Date: Wednesday 1st March 2023

Time: 2.00pm – 3.00pm

Activity: Visit classroom to join in the learning activities with your child

Last week students created personal invitations to give to their families inviting them along to the afternoon. If you haven't received yours please ask your child for it. We hope to see many families here on the day.

Governing Council AGM

Our Governing Council AGM will be held on Thursday, 2nd March 2023 (Week 5) at 5:15pm in the Resource Centre. At this meeting we will present the Annual Report where we will talk about last years highlights and achievements. The role of the Governing Council is to work with the Principal and staff to:

Set broad directions for the school to improve student learning and facilities

Initiate and approve recommendations to meet these directions

Monitor and report on progress.

We only have 2 meetings a term which run for approximately 1 hour. A crèche is held during all meetings to help those who need to bring their children along.

If you are interested in joining the Governing Council or would like more information please see me.

Student Free Day

I would like to advise there will be a Student Free Day on Friday, 10th March 2023 (Week 6). On this day all staff will be undertaking professional development.

Kind regards, Bec Mueller

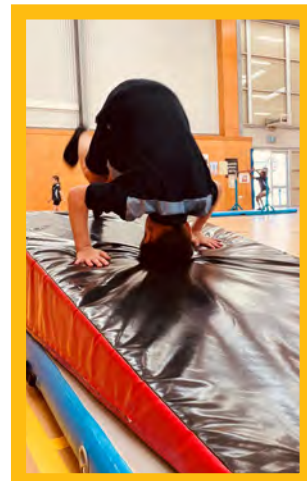

MISS KIDMAN'S R/1

In Design and Technology we have been learning about how food and plants are grown for food, clothing and shelter. We planted our own beans so we can watch them grow at home.

HyperGym 2023

In Week 3 our students participated in HyperGym classes. Students were able to develop a variety of Gymnastic skills. It was wonderful to watch their confidence grow as they attempted things they had never done before. Students were able to experience beam, bar, trampoline and floor events. We have some very talented students indeed.

Well done to all students for being persistent and participating to progress.

Kym Bishop - HPE Teacher

Come and join your child's class
for an afternoon of fun activities!
