From the Principal

Dear Families,

On Tuesday night it was with great excitement and curiosity that invited students eagerly attended the opening of the Joy Baluch AM Bridge. We felt very privileged to witness an important moment in our community's history as well as be amongst some of the first people to walk across the bridge. Huge congratulations to all involved in the construction of the bridge as well as to the organisers of the fantastic event which was held to celebrate the opening.

Don't forget that family-teacher interviews are coming up soon on Monday 27th March, Tuesday 28th March and Wednesday 29th March after school. If you haven't booked a time slot please do this as soon as possible. This is an important opportunity for you to meet with your child's teacher and to discuss your child's progress as well as their one child one plan. Please also remember family-teacher interviews are a two-way conversation so come prepared with any questions you may have so that you and your child's teacher can work together to support your child both academically and emotionally.

Finally, I would like to take this opportunity to extend my heartfelt gratitude to all of you who took the time to come in and join us for the recent family fun afternoon. It was truly wonderful to see so many families engaging in various activities with their children and creating those special memories that will be cherished for a lifetime. Your presence made our event even more special, and we hope you had as much fun as we did. I am grateful to have parents and caregivers like you who are invested and committed to their children's education and overall well-being. Thank you for being an active part of our school community, and we look forward to seeing you at future events.

Kind regards, Bec

Harmony Day

Harmony Week is the celebration that recognises our diversity and brings together Australians from all different backgrounds. It's about inclusiveness, respect and a sense of belonging for everyone

To celebrate Harmony Day we are ...

- Watching a presentation on Harmony Day and Kindness in our classrooms.
- Having a Harmony Day Awards Ceremony to recognise students who regularly include others and demonstrates respect for all.
(Stage Area 12:45 pm)
- Eating our lunch together in the stage area.

Tuesday 21st March 2023

Orange is the colour chosen to represent Harmony Day as it relates to the freedom of ideas and encouragement of mutual respect.
You can choose to dress in orange on this day instead of our school uniform.

Schools Clean Up Day

On the 3rd March (week 3) Augusta Park participated in Schools Clean Up Day. Each class had a designated area and ensured that collected as much rubbish as possible. Students were very enthusiastic and did a tremendous job at making our school yard look clean and tidy.
