From the Principal

Dear Families,

Welcome back to Term 2. We have a very busy and exciting term ahead with some very special events taking place. The most notable event is our Sports Day which will be the first time we will have our three new teams competing in this event. We are very much looking forward to this day. Miss Bishop and the school events committee have been busily planning for this day and look forward to sharing more information with you soon via Facebook and Seesaw.

In some very exciting news for our school on Tuesday I was informed we will be receiving \$3.09 million in funding from the Federal Government as part of the School Upgrade Funds to upgrade our resource centre and outdoor learning environment. Last term I applied for this funding so that we can establish a modern and flexible resource hub with direct access to outdoor learning areas, enabling effective STEM teaching and boosting students' IT skills. In addition, we plan to use this space to engage with the community by providing services like workshops, clubs, and support programs for parents and students.

We also plan to create a contemporary outdoor learning environment, including a nature play area, ensuring inclusivity and safety for all students. By replacing our playgrounds, we aim to offer students: increased safe play opportunities; enhanced imaginative and sensory play for social and emotional development, fine and gross motor skills; and age-appropriate play areas accessible to students with disabilities

This is wonderful news for our school community and we can't wait to share further details as this project progresses.

Staffing News

This term we welcome statewide PRT Neville Marks to our school. Neville will be teaching Miss Rudd's class while she is undertaking her teaching placement as part of her University studies at the Port Augusta Special School for the first 8 weeks of this term. Neville worked at our school last year therefore he is very familiar with our school routines and expectations. He has also built great relationships with our staff and students so we are excited he is back with us!

Wishing everyone a great term.

Kind regards, Bec Mueller

SAPSASA

NEWS

Basketball

Game Summary:

On Wednesday the 3rd of April we attended the SAPSASA Basketball Carnival. The boys team won a few games for the day but were unfortunately beaten in their first final. The girls team made it to the Division 2 Grand final. It was close the whole game with a fitting draw being the first result. The girls were relentless but after a five minute overtime, scores were still level and the game was deemed a draw. It was so good to be at our first SAPSASA for the year and see skills and teamwork flourishing on the day. - Miss Bishop

**FREE
EVENT!**

NATIONAL INDIGENOUS TENNIS CARNIVAL

Join us for an action packed day at the 2024 SA National Indigenous Tennis Carnival. This is your opportunity to take part in community activations including a tennis clinic delivered by State Indigenous Coach Jason Todd, social play and cultural activities.

This event provides participants with the chance to come and try tennis for the first time or to further their skills, while learning and celebrating First Nations culture.

Tennis SA will be sending a team to the National Indigenous Carnival which will be in the Northern Territory in August, if you are interested please come along to find out more.
